

OUTSTANDING SERVICE TO SPORT

The Outstanding Service to Sport will be awarded to an individual who has made a significant contribution to a particular project, activity or outcome within their individual club, organisation or sport more broadly. As a result of the nominee's contribution to this project, activity or outcome their individual club, organisation or sport will have benefited and they will have set such high standards as to set themselves apart from their peers, so as to warrant them being the recipient of this award.

The Outstanding Service to Sport Award acknowledges the vital role of coaches, officials, administrators and volunteers at both elite and community sport in both paid and unpaid capacities. They are the coaches, the umpires, the scorers, the committee members, the team managers, the first aid and sports medicine support and more, recognising that a single person often fills multiple roles

The nominee will be assessed considerate of the following:

- Consistency with the fostering of a sporting culture that is a fair, safe, healthy and inclusive environment;
- The impact of their contribution to a specific project or activity on the longer-term growth, enhancement or sustainability of their club, organisation or sport;
- Demonstrated leadership, personal development, initiative and achievement;
- Demonstrated evidence of obstacles overcome to achieve an outstanding result for their particular project or activity;
- Level of remuneration received for their contribution, if any; and
- The duration of their contribution in specific roles within their sport.
