After the disrupted year that was 2020, we welcomed the return of sport for our community and high-performance athletes this year under minimal pandemic impact for many months. The delayed 2020 Tokyo Olympics and Paralympics defied the doubters and showcased an event we will never forget, with masked medalists and all. These performances, alongside some great results and stories that have emerged in Canberra sport, give us more than enough reason to recognise and again celebrate the CBR Sport Awards.

As we find ourselves navigating life in the pandemic once more, we have again decided to not hold the annual gala event in 2021. We will however be announcing our finalists and winners within an exciting and engaging online event later this year.

At this time we encourage you to pause and reflect on all that has been achieved this year and consider a nomination to this year’s awards, including the Minister’s Awards for Excellence. Nominations are now open, and close on Wednesday 13 October 2021. The ACT Sport Hall of Fame will return in 2021, after a short pause from last year, and we look forward to welcoming some new inductees and celebrating their very special contributions to Canberra sport.

We look forward to you being part of the CBR Sport Awards in 2021.

These two awards represent the pinnacle of excellence for men’s and women’s sport in the ACT.

These prestigious awards will be presented to individuals who have attained a level of sporting excellence greater than others, or whose performance has been so exceptional that their achievements have identified them as being clearly outstanding from other athletes.

Nominee performances must be of such a standard of excellence, and achieved in an arena competitive enough, to warrant the athlete receiving this award.

ATHLETE OF THE YEAR - PARA-SPORT

The Athlete of the Year – Para-Sport will be awarded to an individual athlete with a disability who has attained a level of sporting excellence greater than their peers, or whose performance has been so exceptional that their achievements have identified them as being clearly outstanding when compared to their peers.

Nominee performances must be of such a standard of excellence, and achieved in an arena competitive enough, to warrant them receiving this award.

The Athlete of the Year – Para-Sport will automatically be considered for Athlete of the Year. They will be assessed on comparative merit.

RISING STAR

The Rising Star Award will recognize a high achieving, up and coming junior athlete in the Canberra sporting community. This award will be presented to a young athlete who has attained a level of excellence greater than that achieved by their peers during the year, either at national or international competition, complimented by success in other areas of their life.

The Rising Star performance must be of such a standard of excellence and achieved in an arena competitive enough to truly warrant them becoming the recipient of this award.
TEAM OF THE YEAR

This award will go to the team that has achieved a level of excellence greater than other teams, or whose performance has been so exceptional that its achievements have identified it as being clearly outstanding when compared to other teams.

OUTSTANDING SERVICE TO SPORT

The Outstanding Service to Sport will be awarded to an individual who has made a significant contribution to a particular project, activity or outcome within their individual club, organisation or, in some cases, their sport more broadly. As a result of the nominee’s contribution to this project, activity or outcome their individual club or organisation will have benefited, and they will have set such high standards as to set themselves apart from their peers, so as to warrant them being the recipient of this award.

The Outstanding Service to Sport Award acknowledges the vital role of coaches, officials, administrators and volunteers at both elite and community sport in the ACT. They are the coaches, the umpires, the scorers, the committee members, the team managers, the first aid and sports medicine support and more, recognising that a single person often fills multiple roles.

ACT SPORT HALL OF FAME

The ACT Sport Hall of Fame recognises those people that through their achievements and contributions, have shaped the proud history of sport in the ACT. Membership of the ACT Sport Hall of Fame represents the highest level of sporting recognition in the ACT.

Membership of this prestigious body includes both athletes (Full Member) and others in non-sporting roles (Associate Member) such as coaches, officials and administrators.

LEGACY OF THE AWARDS

The CBR Sport Awards are Canberra’s official and premier sporting awards. They are built on credibility, integrity and transparency.

The Awards will further build the profile of Canberra’s sporting prowess and create an event our city loves to celebrate. These Awards offer kudos to both sports and athletes by creating some lasting legacies that help them celebrate and promote their success within the sport, publicly and with sponsors.

To achieve this, winners will receive permission to use the CBR Sport Awards logo on company stationery and promotional material.

The CBR Sport Awards will celebrate the widely-held love of sport in Canberra, and honour those athletes who uphold the qualities we all expect on and off the sporting field.
